

Anesthesiologists:

Angel Martino-Horrall, M.D. – Regional Medical Director of Obstetric Anesthesia. Dr. Angel Martino-Horrall has dedicated her career to the care of obstetric anesthesia patients. She served as Medical Director and Vice Chair of her previous department where she led her team to earn the Society of Obstetric Anesthesia & Perinatology Center of Excellence Award. Dr. Martino-Horrall completed her residency at the University of Michigan and currently sits on the ASPIRE National OB Subcommittee. She and her husband are Michigan natives and reside in the metro Detroit area with their four beautiful children – all of whom were delivered at Beaumont Health!

Daniel Zeldes, M.D. – Medical Director, Beaumont Hospital, Grosse Pointe. Dr. Daniel Zeldes was born and raised in metro Detroit. He received a BS from the University of Michigan and his MD from Wayne State University. Following the completion of his anesthesia residency at Oregon Health & Science University, he returned to Michigan, to Grosse Pointe, his wife’s hometown, where they are raising their four children. Dr. Zeldes has practiced at Beaumont Hospital, Grosse Pointe since 2016 and became Chief of Anesthesia in 2020.

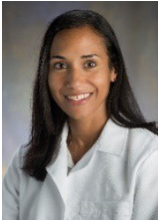

Roy Soto, M.D. – Program Director, Beaumont Hospital, Royal Oak. Dr. Roy Soto is the Director of Education and Director of Beaumont Health’s Anesthesiology Residency Program. He is also Professor of Anesthesiology at the Oakland University William Beaumont School of Medicine. Prior to coming to Beaumont and southeast Michigan, Dr. Soto completed his medical training at the Uniformed Services University in Bethesda, MD, and then served as a Flight Surgeon and general practitioner with the Air Force. Following his military commitment, Dr. Soto completed anesthesiology training at UCLA. Dr. Soto is President of the Michigan Society of Anesthesiologists. He has served as Treasurer for the American Society of Enhanced Recovery (ASER) and has been actively involved with the Michigan Health and Hospital Association, the Michigan Surgical Quality Collaborative, and national projects with the National Surgical Quality Improvement Program (NSQIP) program of the American College of Surgeons. He was named to the Michigan Governor’s Prescription Drug and Opioid Abuse Commission in 2017.

Dietmar Schlecht, D.O. – Medical Director, Beaumont Hospital, Troy. Dr. Dietmar Schlecht brings 20 years of experience to leading the Anesthesiology department at Beaumont Hospital, Troy. Prior to joining Beaumont, he trained and worked in Emergency Medicine before completing his anesthesia residency at the University of Michigan, serving as Chief Resident from 1995-1996 before joining Henry Ford as an Attending Anesthesiologist in 1996. Dr. Schlecht joined Beaumont Health in 1999 and transitioned to Chief of the Department of Anesthesiology and Perioperative Medicine at Beaumont Hospital, Troy in 2010, a role in which he still serves today.

Kaveh Aslani, M.D. – Regional Medical Director, Beaumont Hospital, Royal Oak. Dr. Kaveh Aslani graduated and completed his anesthesia residency from the University of Michigan and then completed a pediatric fellowship in 2006. He joined Beaumont Hospital, Royal Oak after training and has spent his career there, leading and participating in many initiatives and committees over the years, as well as training anesthesia residents as an Assistant Professor for Oakland University William Beaumont School of Medicine. Dr. Aslani now serves as the Regional Medical Director of Anesthesia, overseeing anesthesia operations across the Beaumont hospitals in Grosse Pointe, Royal Oak and Troy.

Maria Forrest, M.D. – Regional Director of Pediatric Anesthesia. Dr. Maria Forest is a board-certified pediatric anesthesiologist who completed her training at Harvard University’s Boston Children’s Hospital. Employed at Beaumont Hospital, Royal Oak since 2015, Dr. Forrest has earned multiple distinguished awards including the Research Scholar in Public Policy Award from the American Society of Anesthesiologists in 2012. As a mother of three daughters, Dr. Forrest is fully integrated to the local community.

Peter Panagopoulos, M.D. – Regional Medical Director, Beaumont Hospital, Dearborn. Dr. Panagopoulos serves as the Regional Medical Director of Anesthesia, overseeing anesthesia operations across the Beaumont hospitals in Dearborn, Taylor, Trenton and Wayne. He has practiced at Beaumont Hospital, Dearborn since 2012 and held multiple leadership roles since that time, such as Chair of Anesthesiology and Chief of Trauma Anesthesiology. Dr. Panagopoulos grew up in Michigan and completed his anesthesia residency at Wayne State University. He is involved in many committees at Beaumont Hospital, Dearborn, including those for Quality and Safety, Surgical Services, and the Operating Room.

Jonathan Kaper, M.D. – Medical Director, Beaumont Hospital, Trenton. Dr. Kaper has more than 12 years of experience, completing his anesthesia residency at Beth Israel Deaconess Medical Center through Harvard University. After training, Dr. Kaper returned to Detroit and led anesthesia departments at several area hospitals, earning acknowledgments for Excellence in Outpatient Surgery, Physician of the Year, and leading OR efficiency, safety, and quality improvements at each facility. Dr. Kaper joined Beaumont in 2015 and serves as Medical Director of Anesthesia for NorthStar as well as Senior Vice President, Chief Medical Officer, and Patient Safety Officer at Beaumont Hospital, Trenton.

Larry Manders, M.D. – Director of Pain & Perioperative Services, Beaumont Hospital, Taylor. Dr. Manders was born and raised in Taylor, Michigan and is proud to be both a lifelong patient and a physician at Beaumont. Dr. Manders completed his anesthesia residency at Beaumont Hospital, Royal Oak and was awarded Chief Resident his final year as well as multiple awards including the American Society of Anesthesiologists Emerging Leader, Foundation for Anesthesia Education and Research (FAER) Resident Scholar, and delegate scholarships. After residency, he successfully completed a pain medicine fellowship at the University of Wisconsin. He has served on national committees for both pain management and young physicians, as well as enhanced his field with multiple research publications and book chapters.

Ksenia Koltun, M.D. - Assistant Medical Director. Dr. Koltun has happily returned to Michigan and the Beaumont family and serves as the Assistant Medical Director at Beaumont Hospital, Royal Oak. She was Chief Resident during her final year at Beaumont Hospital in 2015 before becoming partner and serving on the Executive Committee for a private practice group in Oklahoma City. Dr. Koltun is passionate about regional anesthesia and perioperative medicine and has also taken on the role of Medical Director of the B-Ready Surgical Optimization Clinic at Beaumont.

Leigh Apple, D.O. – Assistant Medical Director. Dr. Apple serves as NorthStar’s Vice Medical Director and the Clinical Operations and Trauma Liaison at Beaumont Hospital, Dearborn. She has practiced at Beaumont Hospital, Dearborn since 2012, joining after completing her anesthesia residency at Michigan State University.

Marina Dymont, M.D. – Medical Director, Beaumont Hospital, Wayne. Dr. Dymont has practiced anesthesia for more than 20 years and worked as an Infectious Disease physician in her home country of Baku, Azerbaijan, prior to completing her anesthesia residency at Henry Ford. She has worked for Beaumont Health since 2010 and served as Director of the Department of Anesthesia for Midwest Ambulatory Surgical Center from 2011-2016 and has served as Medical Director at Beaumont Hospital, Wayne since 2016.

Michael McCue, M.D. – Interim Chair, Beaumont Hospital, Royal Oak. Dr. McCue trained at Massachusetts General Hospital through Harvard Medical School and then completed dual fellowships in critical care and cardiac anesthesia at those institutions. After training, he returned home to Michigan and has worked for Beaumont Health for more than 35 years. Throughout his distinguished career, Dr. McCue has served in many leadership roles, committees and boards, committed to ensuring quality across the health system. He now serves as Interim Chief, Department of Anesthesiology at Beaumont Hospital, Royal Oak and Interim Chair, Department of Anesthesiology for Oakland University William Beaumont School of Medicine.

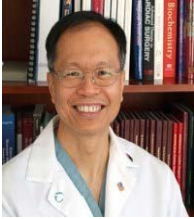

Moumen Asbahi, M.D. – Medical Director, Beaumont Hospital, Royal Oak. Dr. Asbahi has worked at Beaumont Health since 2014, providing care both in the operating rooms as well as the surgical critical care units. He was raised in the Detroit area and was awarded Teacher of the Year in 2015 for anesthesiology residency. He completed his residency at Ohio State University where he served as Residency Director and completed his fellowship at University of Michigan in critical care. In addition to serving as the Medical Director at Beaumont Hospital, Royal Oak, he is the ICU Director for Beaumont Health.

Shafeena Nurani, M.D. – Director of Quality, Beaumont Health. Dr. Shafeena Nurani graduated from University of Michigan Medical School in Ann Arbor, Michigan. She completed her residency at Jackson Memorial Hospital with the University of Miami before returning to Beaumont Health in 2010 as an anesthesiologist. Since 2010, she has been an Assistant Professor of Anesthesiology at Oakland University William Beaumont School of Medicine and in 2018 she became the Director of Pre-Anesthesia Screening and (Enhanced Recovery After Surgery) ERAS programs at Beaumont Health.

Alison Premo, M.D. – Assistant Medical Director, Beaumont Hospital, Dearborn. Dr. Premo completed medical school at Wayne State University before graduating and completing her anesthesia residency and obstetric anesthesiology fellowship at the University of Illinois in Chicago. She was Chief resident and earned Outstanding Medical Student Teacher in 2009. Dr. Premo began her career in Chicago before returning to Detroit and joining Beaumont Hospital, Dearborn in 2012. She now serves as Vice Medical Director of Anesthesia and Director of Obstetric Anesthesiology.

Wei Lau, M.D. – Director of Cardiac Anesthesia, Beaumont Hospital, Royal Oak and Troy. Dr. Lau completed his anesthesia residency at the University of Michigan, Ann Arbor in 1992 before going on to specialize with a fellowship in cardiovascular thoracic anesthesia. Dr. Lau has worked and led cardiac anesthesia departments throughout Beaumont and the University of Michigan for his entire career, as well as training new anesthesiologists as a Professor through the University of Michigan and Oakland University William Beaumont School of Medicine. Dr. Lau leads our Cardiac Anesthesia program across Beaumont Hospital, Royal Oak and Troy.

Certified Registered Nurse Anesthetists (CRNAs):

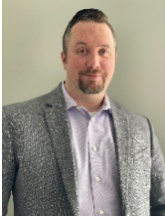

Howie Drews – Chief, Beaumont Hospital, Royal Oak. Howie received his BSN from Wayne State University in 2007 and completed his MSN in Nurse Anesthesia from the Oakland University Beaumont Graduate Program of Nurse Anesthesia in 2010, where he was an Agatha Hodgins award recipient. He has served on the Board of Directors and as the President of the Michigan Association of Nurse Anesthetists, and in 2021, he was elected by his peers to serve as Treasurer of the American Association of Nurse Anesthetists.

Kirk Sledzinski – Chief, Beaumont Hospital, Grosse Pointe. A graduate of Henry Ford Hospital School of Nursing, Kirk worked there for 15 years after his graduation. He received his MS in Nurse Anesthesia from the University of Detroit School of Nurse Anesthesia in 1992 and remained at Henry Ford until 2000. In 2000, he began working at Bon Secour Hospital as a CRNA which was acquired by Beaumont in 2007. He became the Chief CRNA at Beaumont Hospital, Grosse Pointe in 2014. As a Michigan State graduate, he maintains his school spirit...Go Green!

Michele Burke – Chief, Beaumont Hospital, Dearborn. A native of Detroit, Michele Burke has worked at Beaumont Hospital, Dearborn since 1988, first as a nurse assistant, then RN in ICUs for 8 years, and as a CRNA since 1998. She became Chief CRNA in 2004 and specializes in cardiac, OB, bariatrics and pediatrics. Michele attended Wayne State University, receiving her undergraduate degree in nursing and received her master's degree from the University of Detroit at Henry Ford.

Mark Auger – Chief, Beaumont Hospital, Trenton. A native of the downriver area his entire life, Mark graduated from Wayne State University in 2002 and served as a US Army CRNA from 2001 to 2011. His deployments were to Brooke Army Medical Center in Texas, West Point, New York at Army Community Hospital and Tikrit, Iraq for Operation Iraqi Freedom. Mark has worked as a CRNA for Beaumont since 2002 and serves as Chief CRNA at Beaumont Hospital, Trenton.

Kevin Senko – Regional CRNA Director, Beaumont Hospital, Grosse Pointe, Royal Oak and Troy. A southeast Michigan native, Kevin is a graduate of the University of Detroit Mercy Nurse Anesthesia program and is an Agatha Hodgins award recipient. Kevin has more than a decade of experience practicing and leading anesthesia teams in Detroit communities. Kevin now serves as the Regional CRNA Director, overseeing CRNA operations across the Beaumont Hospitals in Grosse Pointe, Royal Oak and Troy.

Raymond Johnson – Chief, Beaumont Hospital, Wayne. Ray has practiced as a CRNA for more than 3 decades, with most of his career at Beaumont Hospital, Wayne. In addition to leading the CRNA team at Beaumont Hospital, Wayne, he has also served the hospital for many years in the role of OR Manager for Surgical Services, contributing to and leading several programs and quality initiatives as well as the start-up of a new wing of the hospital.

Lori Shannon – Assistant Chief, Beaumont Hospital, Royal Oak. Lori has her Doctorate of Nurse Anesthesia Practice from the University of Michigan and has practiced for 26 years as a CRNA. Lori previously served in the role of Education Coordinator for Beaumont Health and has organized many committees, heart team events, and educational updates. Lori is a senior member of the Beaumont Hospital, Royal Oak cardiac team.

Heather Wahl – Assistant Chief, Beaumont Hospital, Royal Oak. Heather grew up in Monroe, MI and has worked at Beaumont since 2007. Heather's Beaumont career began as a tech and then an ICU nurse before earning her Nurse Anesthesia degree. She particularly enjoys providing care for OB and Pediatrics. Heather has been on the CRNA leadership team since 2018 and is involved with many different committees, including OB Patient Innovation, Continuous Quality Improvement and CRNA Practice.

John Mattarella - Chief, Beaumont Hospital, Troy. John graduated from the Hurley Medical Center School of Anesthesia at the University of Michigan – Flint in 1985 and began his career as a CRNA at Saint John Health in Detroit. Shortly thereafter, John joined the team at Beaumont Hospital, Troy. His 32-year tenure has allowed him to serve in many leadership positions including Chair of the Joint Commission on Accreditation of Healthcare Organizations (JCAHO) Steering Committee, Pain Management Council and the Families Against Narcotics Steering Committee. In July 2018, John received the “Caring Connects Award” for his exemplary work delivering compassionate, extraordinary care to his patients. In 2019, John was awarded the “Distinguished Service Award” for Advanced Practice Providers from the Medical Staff at Beaumont Hospital, Troy. Outside of work, John volunteers as

a medical provider at Hope City Church and is active in Families Against Narcotics as a Naloxone trainer and public speaker on addiction.

Michelle Murphy – Chief, Beaumont Hospital, Taylor. Michelle graduated from the University of Detroit Mercy with her Master of Science in 1998. She joined Beaumont Health immediately after and has practiced across the Beaumont Hospitals in Dearborn, Wayne, and Taylor for more than 20 years, working in nearly all specialties. Michelle serves as the Chief CRNA at Beaumont Hospital, Taylor.

Jeff Sinkovich – Regional CRNA Director for the Beaumont Hospitals in Dearborn, Taylor, Trenton and Wayne. Jeff completed his CRNA training at the University of Pittsburgh. He has practiced for more than 30 years in metro Detroit, leading teams in multiple health systems as well as in Toledo, OH and several southeastern and mid-Michigan surgery centers and rural hospitals. Jeff has also served as the District 2 Director for the Michigan Association of Nurse Anesthetists. As Regional CRNA Director, Jeff oversees CRNA operations across the Beaumont Hospitals in Dearborn, Taylor, Trenton and Wayne.
