HEALTH

## **Report of Research Accomplishments Beaumont Health Research Institute**

For more than 45 years, researchers at Beaumont have helped to bring new technologies, new treatments, and new medications into the practice of medicine, and have helped to move the standard of care forward to improve the safety and quality of medical care for patients locally, nationally, and internationally. The greatest reward from these achievements is the realization that patients' lives are improved and enriched because of the outstanding research carried out by Beaumont physicians, scientists and staff.

Outstanding biomedical research is a major component of the excellent reputation of Beaumont Health as an academic health system. The Board of Directors at Beaumont made a commitment several decades ago to strengthen Beaumont as an academic institution through growth and support of graduate medical education, the hiring of full time physicians with a history of excellence in research, and committed support of ongoing research activities of key programs. This commitment has helped to forge the reputation of Beaumont Health as a leading academic health system, with recognition by U.S. News and World Report, a distinction which places Beaumont in the forefront of medicine in the U.S.

With Beaumont Health's role as the health care affiliate with the Oakland University William Beaumont School of Medicine, our research activities, graduate medical education, and scholarly endeavors are even more important. Our Board of Directors and senior leadership have reaffirmed their commitment to this ongoing academic mission for Beaumont. Strong undergraduate medical education requires faculty committed to research and a broad, excellent program of graduate medical education. The ACGME (Accreditation Council on Graduate Medical Education) is steadily increasing the requirements for excellence in both faculty research achievement and resident/fellow research training in order to maintain full accreditation for residency and fellowship programs. The Board for Accrediting Level 1 Trauma Center status, presently achieved by Beaumont Royal Oak, now requires productivity of peer-reviewed publications in recognized journals by participating faculty. The LCME (Liaison Committee on Medical Education), the accrediting organization for medical schools in the U.S. and Canada, requires the presence of biomedical research activities that can provide basic, translational and population research opportunities for medical students. The OUWB medical school provides further impetus to enhance biomedical research at both Beaumont and Oakland University, to integrate research activities between the two institutions, and to initiate new programs, centers, and collaborative projects shared by both institutions. Beaumont and Oakland University already have several areas of long standing ongoing research collaboration.

Beaumont research is heavily oriented towards translational research, investigating new treatments, pharmaceuticals, medical devices, and scientific approaches aimed at enhancing the excellence and safety of patient care. Beaumont has a robust program of clinical research, numbering over 1,158 trials with over 10,363 registered research participants. Beaumont's clinical services are superb, providing the standard upon which new and innovative research is built. The volume of patients served at Beaumont, combined with the excellence of clinical care, provides a striking opportunity to develop new treatments. Moving forward, Beaumont Health and OUWB will build upon existing research strengths in nationally recognized clinical and translational programs, including Cardiovascular Medicine, Radiation Oncology, Urology, Orthopaedics, OB/GYN, Ophthalmology, Emergency Medicine and many others, to establish a new emphasis in population/community health and learning health system initiatives that will focus on improving health and healthcare delivery for our patients and communities.

We are proud to present this Report of Research Accomplishments. It highlights the depth and breadth of Beaumont's academic excellence, including our affiliation with OUWB. We extend our congratulations and appreciation to the many investigators who have contributed these extraordinary achievements.

# Beaumont Research Institute

## Fact Sheet – 2018

Beaumont Health, serving southern Michigan and beyond, recognizes the inherent value of research as a major contributing factor to future improvements in health care delivery and the health of our local and global communities. The Beaumont Research Institute (RI), established by the Board of Trustees in 1966, strengthens Beaumont's ability to conduct medical research and to provide research training for allied health and medical staff and students in undergraduate and graduate medical education programs. Beaumont Health is a major teaching facility, with 79 accredited residency and fellowship programs involving 837 residents and 97 fellows, and 168 research staff.

### Funding

Research Institute actual operations \$36.9M

### External Sources of Research Funding

- |                          |      |
|--------------------------|------|
| ▪ Commercial sponsors    | 31 % |
| ▪ Federal sponsors       | 22 % |
| ▪ Philanthropic sponsors | 13 % |
| ▪ Intellectual Property  | 34 % |

### Types of Research at Beaumont Health

Percentage of expenses

- |                         |      |
|-------------------------|------|
| ▪ Clinical Research     | 48 % |
| ▪ Pre-clinical Research | 52 % |

### External Research Funding by Service Line

- |  |      |
|--|------|
| ▪ Radiation Oncology                   | 25 % |
| ▪ Urology                              | 8 %  |
| ▪ Hematology/Oncology                  | 7 %  |
| ▪ Infectious Disease                   | 7 %  |
| ▪ Orthopedics                          | 7 %  |
| ▪ Emergency Medicine                   | 6 %  |
| ▪ Cardiology                           | 4 %  |
| ▪ OB/GYN                               | 4 %  |
| ▪ Other (Various, Admin/Inv. IP Share) | 32 % |

### Clinical Research

- 1,273 clinical studies
- 371 interventional studies
- 902 non-interventional studies
- 434 active principal investigators
- 5,021 registered research participants

### Educational Opportunities for Research Staff

- 2-day orientation for new clinical research staff
- Animal use training
- On-line CITI human subjects protection training
- Online guidance/modules on initiating research
- Resident and Fellow Research Forum
- Seminar series and workshops

### Support Staff Available

- Accounting / Contracting / Administrative
- Biostatistics/Informatics
- Commercialization Center
- Compliance Office
- Research Data Management and Computing
- Grant Development
- Human Resources
- Institutional Animal Care and Use Committee
- Institutional Biosafety Committee
- Institutional Review Board
- Outcomes Research Group
- Research Education

### Support for the Research Institute

- AAALAC accredited animal facility
- AAHRPP accredited human research protection program
- Beaumont Research Coordinating Center for multicenter clinical trials
- BioBank/Erb Family Core Molecular Lab
- Flash CT scanner
- Fully equipped bench laboratories
- National Cancer Institute's Community Oncology Research Program (NCORP)
- Partnership with OUWB School of Medicine
- Proton Beam
- PET-CT and Biotracer

**Gruber A.** Osteopathic manipulative medicine: Lower back pain. Family Medicine Education Conference, Lansing, MI, June 29, 2018.

**Gruber A, Yedavally-Yellayi S.** Maintaining osteopathic teaching in light of unified accreditation. Society of Teachers of Family Medicine Annual Spring Conference, Washington, DC, May 5-9, 2018.

Hillenberg JB, Slavin-Spenney O, Black M, **Mulhem E.** A group-based acceptance and commitment therapy intervention for chronic pain in a family medicine center. Midwest Pain Society 42<sup>nd</sup> Scientific Meeting, Chicago, IL, November 9-10, 2018. **Awarded: 1<sup>st</sup> Place.**

Hilton H, **Wilson S.** Nutrition knowledge of family medicine physicians: Effect of a resident-driven lecture series. 41<sup>st</sup> Annual Michigan Family Medicine Research Day, Howell, MI, May 24, 2018.

**Hunt R, Van Dyke A, Lackman-Zeman L, Kline E.** Integrating the languages of the inter-professional team for optimal patient care. 39<sup>th</sup> Forum for Behavioral Science in Family Medicine, Chicago, IL, October 10-13, 2018.

**Kline E.** Building blocks for establishing new ambulatory care pharmacy services. 53<sup>rd</sup> ASHP Midyear Clinical Meeting & Exhibition, Anaheim, CA, December 2-6, 2018.

**Kowalkowski JD.** Adverse childhood experiences. Community Health Alliance of Grosse Pointe and Harbor Woods, Grosse Pointe, MI, February 21, 2018.

**Kowalkowski JD, Engels, S.** Acceptance and commitment therapy in primary care: Practical applications and incorporation into family medicine residency training curricula. The Annual Meeting of the Behavior Analysis Association of Michigan, Ypsilanti, MI, February 16, 2018.

**Kowalkowski JD, McClowry RJ, Thompson L, Pierret A, Jafry S, Bognanno E.** Proposal for the implementation of an integrative medicine-based resident wellness curriculum in a community-focused family medicine residency. Michigan Family Medicine Research Day, Howell, MI, May 24, 2018.

**Lackman-Zeman L.** Psychosocial factors at play when addressing SDOH. Oakland University Healthology Symposium, Auburn Hills, MI, April 17-18, 2018.

**Lackman-Zeman L.** The value of care teams in a physician's practice. Michigan Osteopathic Association 119<sup>th</sup> Annual Spring Scientific Convention, Southfield, MI, May 17-20, 2018.

**Lick D.** Length of stay and hospital readmission rates for heart failure among patients of Middle Eastern origin compared to non-Middle Eastern whites in Southeast Michigan. Harvard Epidemiology Symposium, Boston, MA, May 22, 2018.

**Lick D, Biggs W, Chen I, Maier R, Potts S.** From residency to faculty: Explore the options for your future! National Conference of Family Medicine Residents and Students, Kansas City, MO, August 2-4, 2018.

## Family Medicine

### Invited Research Presentations: continued

**Lick D**, Biggs W, Graham T, Hischier B. Foundational faculty training: Using the STFM Residency Faculty Fundamentals Certificate Program. American Academy of Family Physicians Program Directors Workshop, Kansas City, MO, March 23-25, 2018.

**Lick D**, Rosbolt J, Gruber A. Common joint injections in the ambulatory setting. Practical Update in Primary Care Medicine, Troy, MI, April 21, 2018.

**Mulhem E**, Hillenberg JB. The effects of Michigan new opioid laws on physician's opioid prescribing pattern in a large hospital network. Midwest Pain Society 42<sup>nd</sup> Scientific Meeting, Chicago, IL, November 9-10, 2018. **Awarded: 3<sup>rd</sup> Place Winner.**

**Van Dyke A**. Restorative sleep. World of Wellness Alternative and Natural Therapies for Pain Management Seminar. Oakland Community Health Network, Royal Oak, MI, February 3, 2018.

Vendittelli B, Priziola J, **Kline E**. Evaluation of medication management potential of pharmacists through Medicare annual wellness visits. 53<sup>rd</sup> ASHP Midyear Clinical Meeting and Exhibition, Anaheim, CA, December 2-5, 2018.

Walters E, Biggs W, Chen I, Graham T, Griesbach S, **Lick D**, et al. Foundational faculty training: Using the STFM Residency Faculty Fundamentals Certificate Program. 51<sup>st</sup> Annual Conference of the Society of Teachers of Family Medicine, Washington, DC, May 5-9, 2018.

Vogel M, **Van Dyke A**, Leonard M. Training the next generation of health psychologists. 1<sup>st</sup> Annual Michigan Health Psychology Symposium, Henry Ford Hospital, Livonia, MI; November 16, 2018.

**Yedavally-Yellayi S**, et al. Teaching in the clinical setting: Self-directed learning, inter-professional education, and longitudinal integrated clerkships. Society of Teachers of Family Medicine (STFM) Medical Education Conference, Jacksonville, FL, January 31-February 3, 2018.

### Non Peer-Reviewed Publications:

**Kowalkowski JD**. How adverse childhood experiences can affect one's health. Grosse Pointe News. Retrieved from <https://www.grossepointenews.com>, March 2018.

**Kowalkowski JD**. Year-long faculty scholars program in integrative healthcare (~69 CME credits); September 2017-May 2018.

**Mulhem E**. What are the effects of using fractional exhaled nitric oxide (FeNO) levels to guide treatment for adults with asthma? Cochrane Clinical Answers, 2018.

**Mulhem E**. For people with acute or chronic disease, how does prescribing by nurses and pharmacists rather than by clinicians affect outcomes? Cochrane Clinical Answers, 2018.

## Family Medicine

### Non Peer-Reviewed Publications: continued

**Mulhem E.** Can interventions aimed at delivery of efficient and effective care and support of self-management improve hearing aid use? Cochrane Clinical Answers, 2018.

**Mulhem E.** For people with respiratory infection, how do delayed compare with immediate or no antibiotic prescriptions? Cochrane Clinical Answers, 2018.

**Mulhem E.** What are the benefits and harms of “hospital at home” services for adults requiring acute care? Cochrane Clinical Answers, 2018.

**Mulhem E.** In healthy children, what are the benefits and harms of vaccines for preventing influenza? Cochrane Clinical Answers, 2018.

**Mulhem E.** What are the benefits and harms of hearing aids for adults with mild to moderate hearing loss? Cochrane Clinical Answers, 2018.

**Mulhem E.** In infants and children, do influenza vaccines help to prevent acute otitis media? Cochrane Clinical Answers, 2018.

**Mulhem E.** For people with asthma, how does shared decision-making affect outcomes? Cochrane Clinical Answers, 2018.

**Mulhem E.** In healthy adults, what are the benefits and harms of vaccines for preventing influenza? Cochrane Clinical Answers, 2018.

**Mulhem E.** How do intramuscular and oral corticosteroids compare for improving outcomes in people with acute asthma following discharge from the emergency department? Cochrane Clinical Answers, 2018.

**Shammami A.** Overall health care and navigating the medical system when language is a barrier. John Oram Radio Show, July 2018.

## Abstracts with Associated Research Presentations:

Cheah C, Jayaschandran V, \*Christensen P, **Nair GB**, Halalau A. Asthma control and education (ACE): Use of an electronic teaching tool to improve resident skills, knowledge and self-efficacy for teaching of inhaled therapies. Medical Education Week, Oakland University William Beaumont School of Medicine, Royal Oak, MI, May 14-18, 2018.

\*Christensen P, Sarode D, Corral S, Albear S, **Nair GB**. In 'cysting' on a diagnosis of Sjogren's syndrome. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

Dereski M, Pittiglio L, Lerchenfeldt S, **Patel V**, **Dalal B**. Integration of simulation early in undergraduate medical education enhances student critical thinking. International Association of Medical Science Educators Annual Meeting, Las Vegas, NV June 9-12, 2018.

Figuroa F, **Iftikhar H**, **Nair GB**, Schloop M. A case of non-bacterial thrombotic endocarditis in a patient with lung adenocarcinoma. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

## Pulmonary and Critical Care Medicine

### Abstracts with Associated Research Presentations: (continued)

**Iftikhar H, Nair GB, Zhang C.** Attributes of hospitalized elderly compared to younger patients with interstitial lung disease. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

**Iftikhar H, Nair GB, Zhang C.** Influence of diabetes mellitus related immune dysfunction in hospitalized interstitial lung disease patients. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

**Iftikhar H, Nair GB, Zhang C.** Multiple calcified pulmonary nodules: It need not be what the eye doesn't see. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

**Iftikhar H, Zhang C, Nair GB.** It's NUTS! A poorly differentiated cancer due to chromosomal translocation. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

**Iftikhar H, Zhang C, Hehar J, Nair GB, Bozyk P.** An unusual case of heroin induced central diabetes insipidus. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

**Iftikhar H, Zhang C, Nair GB.** Respiratory culture, antibiotic susceptibility, multidrug resistant pathogens and disease outcomes in hospitalized interstitial lung disease patients. American College of Chest Physicians Annual Meeting, San Antonio, TX, October 6-10, 2018.

**Nair GB, Bozyk P, Iftikhar H, Zhang C, Hehar J.** Wait it is not a lab error! An uncommon case of serum ammonia level greater than 1000 millimoles per liter and normal hepatic function. Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

Nur Khaled Z, Sabah Toma B, \*Christensen P, **Nair GB.** The lung-gut axis: Rare case of inflammatory granulomatous bronchiolitis in Crohn's Disease. American College of Physicians (ACP), Lansing, MI, October 11-12, 2018.

Rodriguez F, **Dogra S**, Silverman J, **Nair GB.** An unusual case of Mycobacterium Porcinum related septic shock in a peritoneal dialysis patient. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

**Zhang C, Iftikhar H, Niederman MS, Nair GB.** Use of steroids prior to hospitalization in interstitial lung disease patients admitted with pneumonia. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

**Zhang C, Iftikhar H, Niederman MS, Nair GB.** Bacterial burden and infection with multi-drug resistant pathogens in hospitalized interstitial lung disease patients. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

## Pulmonary and Critical Care Medicine

### Invited Research Presentations:

Corral S, Albear S, Salim M, **Bozyk PD**, Swanberg SM. The association between hookah smoking and infectious diseases: A systematic review. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

**Dalal B.** Sleep disordered breathing and heart failure: What does the future hold? Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** Pulmonary embolism: Acute and chronic management. Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** Pulmonary hypertension: An update for physicians. Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** No mortality benefit of supplement oxygen in acute MI: Bye, bye to oxygen! Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** Acid base disorders, case based approach. Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** Chest imaging for medicine residents and practitioners. Joint International Conference (JIC) Oration award plenary lecture. Care Institute of Medical Science Conference, Ahmedabad, India, January 5-7, 2018.

**Dalal B.** Sleep apnea is heart disease. Michigan Association of Physicians of India (MAPI), Marriot, Troy, MI, March 2018.

**Dalal B.** Sleep and pulmonary peer pressure game. Game Lecture. Beaumont Health, Troy, MI, April 2018.

**Iftikhar H, Patel V.** Unexpected side effect of Mirabegron-A medication for overactive bladder. American Academy of Sleep Medicine (AASM) National Meeting, Baltimore, MD, June 2-6, 2018.

**Iftikhar H, Patel V.** When smartstart feature is not so smart. Michigan Thoracic Society Regional Meeting, Novi, MI, April 11, 2018.

Imam Z, Pang Y, **Keena D.** Phantoms of the past: Multiple organ dysfunction in a patient with tetralogy of fallot and relapse of Diamon-Blackfan anemia. American Thoracic Society International Conference, Diego, CA, May 18-23, 2018.

## Pulmonary and Critical Care Medicine

### Invited Research Presentations: continued

Krater R, **Patel V**. Chronic hemoptysis: Manifestation of a rare, obscure and fatal diagnosis. American Thoracic Society International Conference, Diego, CA, May 18-23, 2018.

Lynch S, Wilson M, Chacko R, **Mina N, Nair GB**. Trip across midline: An unusual case of central line cannulation into persistent left superior vena cava. Society of Critical Care Medicine (SCCM) Annual Meeting, San Antonio, TX, February 25-28, 2018.

Quiroz E, Figueroa F, **Bozyk PD, Keena D**. Brothers from another mother? A case of benign metastasizing leiomyoma with features of lymphangiomatosis. American College of Physicians Annual meeting August 2018.

Sczepanski M, **Bozyk PD**. Institutional incidence of TPA-induced angioedema in ischemic cerebral vascular accidents. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

Willner C, **Bozyk PD**. A risk-factor derived, equation-based approach as a predictor for severe sepsis/septic shock and associated clinical outcomes. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.

Willner CA, **Bozyk PD**, Rizk M. Feel the squeeze: Cerebral vasospasm in high-grade lymphoma. American Thoracic Society International Conference, San Diego, CA, May 18-23, 2018.
